

# LYING JUST GOT EASIER.

As seen in  
**VOGUE**

Experience our state of  
the art laser treatments for  
cosmetic enhancement.

The Lumen Laser Center is the one location on the Main Line which offers revolutionary laser technologies to tighten and rejuvenate the skin and eliminate unwanted hair and varicose veins...all without surgery or downtime. LUMEN laser treatments, some exclusive to the Philadelphia metro region, have recently been profiled in *Vogue* and by the Today Show. We offer:

- **Fraxel** laser treatment – for a smooth face and stretch marks.
- **Venacure**™ Endovenous Laser – for varicose vein elimination.
- **titan** laser treatment – for a non-surgical facelift.

Enjoy discreet, world class care in our 3000 sq ft ultramodern complex with a full, expert medical staff. Call today for an appointment and get ready for a newer, sleeker you.
